Private lessons and group courses - Student brochure.

Our mission

Providing every student with a quality teacher. Wherever. Whenever.

Quality guarantee

- We strive to be an online language school, not a matching platform. All our teachers go through a quality check process.
- We review the teaching experience and education certificates of all our teachers.
- All our teachers are interviewed before being allowed to teach.
- We provide training materials to our teachers to guarantee a uniform teaching quality.

How to start taking classes?

1. Make sure we have all necessary information of your request. The more detailed you describe your request, the better we can help you.
2. Your account manager confirms your group.
3. We send your group to matching teachers.
4. You receive pricing offers of teachers.
5. Choose a teacher, and you can begin your lessons!

Trial lesson

- You pay upfront for 1 lesson hour or a package
 - You can cancel your request at any time, before your second lesson (after your trial lesson, or before you are matched with a teacher).
 - You can apply for a refund after the first lesson (no questions asked).
 - You can switch your teacher at any time.
